OBJECTIVE

I prefer to keep learning , continue challenging myself and do interesting things. I'm fast learner, able to pick up new skills and juggle different projects and roles with relative ease. I specialise mostly in developing Web applications and mobile applications.

EXPERIENCE

Feb 20121 - June 2021

- **Frontend Developer**

Microminds IT Solutions

Worked alongside the designer team implementing the designs, also developing custom solutions to address team necessities.

Implemented enhancements that improved web functionality, responsiveness and cross - browser compatibility.

July 2021 - Present

- **Software Engineer**

BQE Software Private limited

Development, maintenance and enhancement of BQE products such as BQE Website, BQE CORE, Core public API etc
